

RESPONSE TO COVID-19: NSO, PSO, CLUBS

We believe in taking action to care for the health and safety of all members of the Triathlon Canada Nation. This is a difficult time for everyone, and the world of sport is taking decisive measures to be proactive in limiting the spread of the COVID-19 pandemic. Here is an update on the protocols we are taking within the Triathlon Canada organization as a whole:

National Office:

- Suspending the domestic race season until April 30th
- Pulling all elite (inclusive of Para, U23, Junior) athletes back to Canada or home training environments immediately
- Suspending all ITU event start list / wait list requests until April 30th
- Enforcing self-isolation protocols for all athletes and staff returning to Canada from abroad
- Cancelling international training camps indefinitely
- Providing regular updates as this situation unfolds to the entire triathlon community
- Mandating that all internal staff work remotely

**Note: all suspensions will be assessed on an ongoing basis and will be extended as required*

Provincial Offices:

- Suspending all provincial event sanctioning until April 30th
- Working closely with provincial health agencies to continue to activate best practices within each region
- Developing recommendations around club training activities and gatherings
- Providing regular updates as this situation unfolds to the provincial triathlon communities
- Transitioning all large meetings or courses to teleconference where possible
- Mandating that all internal staff work remotely

**Note: all suspensions will be assessed on an ongoing basis and will be extended as required*

Clubs:

- Suspending training sessions and large gatherings as needed
- Following the provincial directives on club training sessions or large gatherings
- Ensuring that all members are protected and informed on best practices
